

Ben Franklin s Guide to Wealth: Being a 21st Century Treatise on What it Takes to Live a Rich Life (Paperback)

Filesize: 1.25 MB

Reviews

Absolutely one of the best book I have ever study. It is actually writter in simple terms rather than confusing. I realized this pdf from my dad and i suggested this pdf to understand.
(Garry Quigley)

BEN FRANKLIN'S GUIDE TO WEALTH: BEING A 21ST CENTURY TREATISE ON WHAT IT TAKES TO LIVE A RICH LIFE (PAPERBACK)

Conari Press,U.S., United States, 2004. Paperback. Condition: New. Language: English . Brand New Book. Ben Franklin's Guide to Wealth is the modern version of the treatise *The Way of Wealth* by Richard Saunders, one of Ben Franklin's many pseudonyms. Franklin practiced what he preached in the treatise, and it made him rich enough to have a full life, travel extensively, and follow his intellectual musings, which in turn led him to become an accomplished scientist, inventor, political activist, diplomat, and writer. Franklin wasn't born rich. He built his legacy using his intelligence, curiosity, natural good sense, and proclivity for thrift and hard work. When he died, he left a fortune. Barrett and Mingo bring practicing what Franklin preached up to date for today's busy lifestyles. It's time to get back to financial basics. It's time to think about what rich really means. It might mean not hiring someone to do lawn work, saving some money, and sharing time spent together as a family. It's time to look for guidance from America's original financial guru, Ben Franklin. Ben Franklin's Guide to Wealth shows readers how to apply Franklin's financial wisdom to their own lives. Quotes from the original treatise such as *If you have something to do tomorrow, do it today* and *Leisure is time for doing something useful*, are followed by the authors down-to-earth commentary. Barrett and Mingo--history and trivia buffs--offer their own sage advice on a range of financial basics, including debt, thrift, the value of work and business, developing financial responsibility, money and time, and preparing for the future. As the authors attest in the Introduction, we should listen to the way of Ben Franklin because it works. A clever, wise, and fun book, the financial advice in...
