## CANNABIS: THE BREAKTHROUGH SOLUTION TO CURE DISEASES (PAPERBACK)

Createspace, United States, 2015. Paperback. Condition: New. Language: English . Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*. In the world of medicine, experts are constantly looking for the right method to cure illnesses and diseases, wherein they are willing to spend thousands and millions of budget when it comes to research. Despite of the state-of-the-art technologies that are created to come up with the most effective means to cure diseases or illnesses, scientists and experts are still have not met the requirements to provide a treatment that is affordable and only has few side effects. For an instance, people who are suffering from late stage cancer may not get the real treatment they need for the reason that costly treatments like chemotherapy may just help them relieve from the symptoms and prevent the cancer cells to spread but will it take away the cancer? Sadly no, the patient still continues to struggle and will not acquire the recovery that he or she deserves. On the other hand, no need to look further for the reason that there s one alternative treatment that is deemed to be promising and a breakthrough when it comes to curing various diseases and illnesses, and it is no other than - cannabis or marijuana, a popular plant that is always associated with dangerous drug and prohibited by the government in most all parts of the world. Many textbooks, magazines, journals, documentaries made about marijuana and sadly not all of them were in favor of cannabis. This may be due to the stigma that has been attached with marijuana for several decades already. It can be associated to the extensive use of marijuana that can cause a feeling of being high just like what other illegal drugs do. This has become more apparent in 1971...
