Reviews

The most effective publication i at any time read. We have study and i am sure that i will likely to read yet again once again in the foreseeable future. You will not truly feel monotony at anytime of your time (that's what catalogs are for about in the event you request me).

The Hunter Press, United States, 2008. Paperback. Condition: New. Language: English . Brand New Book. This all-in-one, up-to-date career and professional reference provides a comprehensive survey of integrative, alternative and complementary medicine therapies, their study and practice, for students as well as holistic practitioners. It covers the 11 major medical licenses including natural and allopathic medicine, acupuncture, chiropractic, body and mind therapies and nursing and 50 non-degree modalities such as ayurveda, herbal medicine, midwifery, biofeedback and yoga training. Modality history, philosophy, basic techniques and methods of each discipline are surveyed, along with career and training opportunities, licensure guidelines and salary information. With over 2,500 entries, it also features continuing education and postgraduate studies, conference and retreat centers, online resources and social networks, associations and research institutes, and major periodicals and publications. This book is a must-have desk resource for career seekers, students, holistic-minded healers and anyone interested in seeking out integrative medicine techniques and practitioners for themselves.
