

Quantum Thoughts: Answers III (Paperback)

By Hector Sampson

Createspace, United States, 2015. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****.Sharing the answers to my own questions with you has been a pleasant journey. When I was a child, I always thought I asked strange questions to myself and to others. But now I realise we all have the same doubts and fears in a particular moment of our lives. We are all in the same boat and understanding that is the first step to understanding human nature. I know that we all can find different answers to the same question and my main purpose is to share my answers to motivate you to find your own. We might coincide sometimes with some answers, we might differ in many others, but I am sure that reading this third volume of answers will make you think, laugh, doubt and reconsider your perspective. May this be as fun and exciting to you, as it has been for me. Thank you for walking with me this journey. Blessings and Light to you.
