Reviews

An incredibly great book with perfect and lucid answers. Better then never, though i am quite late in start reading this one. You will not sense monotony at whenever you want of the time (that's what catalogues are for relating to if you question me).

THE BENTLEYS BUY A BUICK (PAPERBACK)

Mira Books, United States, 2011. Paperback. Condition: New. Original. Language: English . Brand New Book. Think you can trust your husband? Think again! That's what the gossip types at Erica Bentley's new job say. Even her (multi-divorced) mom agrees. But Erica's sure she knows her husband, Tom, better than that. He says he loves her, and shows it in a million ways. Except he has been working extra-late these days. And he's been kinda quiet. Even secretive. Happily married Tom Bentley never thought his head could be turned--until he saw Clara. Her sleek body has him longing, and he can't get her 127 wheelbase out of his mind. That's right. Erica's competition is a car. The beautiful Buick has Tom completely car-crazy. And Erica's sleuthing is making her just plain crazy. One of them needs to come clean with their newest obsessions, before Clara drives their happy marriage into a ditch!.
