Why would Bethany, so afraid of water, drown herself? Hannah fears that her partner, bookseller Marc Amos, is keeping dark secrets. Does he hold the key to Bethany's past - and why was his best customer burnt to death in an Ullswater boathouse? Hannah still carries a torch for Daniel Kind, who is researching Thomas De Quincey and the history of murder. Once Daniel and Hannah suspect connections between Bethany's drowning and a current sequence of killings, death comes dangerously close to home.
