Forgotten Books, 2017. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****. Excerpt from Catalog of Copyright Entries; Third Series, Part 6, Number 1, Vol. 4: Maps; January-June 1950 The area headings used in this catalog consist of the names of the largest geographical or political units enclosed within the borders of the several maps. When the borders of a map do not coincide in any way with a single geographical or political Unit, the name of the most significant unit contained therein is used in the heading. When the map contains three or more states comprising part of one of the major geographical divisions of the United States, one of the following headings is used; New England; Middle States; South Atlantic States; North Central States; South Central States; Mountain States; and Pacific States. If the area shown on the map does not coincide with any of the foregoing seven designations, one of the follow! Ing subdivisions under United States is used: northeastern, eastern, southeastern, central, north/ western, western, or southwestern. The asterisk preceding the title indicates that Library of Congress printed cards are available. Orders for or inquiries regarding these cards should be addressed to the Card Division of the Library of Congress.
