Balboa Press. Paperback. Condition: New. 266 pages. Dimensions: 8.9in. x 6.0in. x 0.7in. When love transforms your relationship with yourself, it transforms your personal life, your work, and the world. When your birth includes a near-death experience, you know you are in for a wild ride. A fifty-five-year roller coaster of triumph and burnout led to finding my life purpose more than five decades later. Mine is a story of hope. Yours can be too. As a life coach, organization transformation consultant, Reiki master, artist, author, and broadcast personality, I have pursued a lifelong passion for the transformative power of love. Choosing love as your core energy automatically enhances every aspect of your life: your perceptions, opportunities, relationships, and priorities. You get unstuck, reclaim your personal power, and recapture your zest for living, moving yourself forward into a life you love. Instead of choosing to live as a victim of circumstance, consider embracing the power of loving yourself unconditionally through insights, encouragement, clear strategies, and practical tools built on my personal journey, including a sustained eighty-pound weight loss, freedom from a ten-year bout of debilitating depression, and finding my purpose guiding others on their journeys; living in flow, a fluid Journey to Wholeness grounded in who you are being not what you are doing; the...
