These selected paragraphs distill the contents and give you a quick look inside: The world of dead matter which our fathers thought they understood has become a world of subtle forces moving with inconceivable velocity; nothing is inert, all things are transformed into other and more elusive shapes precisely as the makers of the fairy tales foresaw and predicted; the world lives in every atom just as their world lived; forces lie just outside the range of physical sight, but entirely within the range of spiritual vision, precisely as the tellers of these old stories divined; mystery and wonder enfold all things, and not only evoke the full play of the mind, but flood it with intimations and suggestions of the presence of more elusive and subtle forces, of finer and more obedient powers, as the world of fairies, magi and demons enfolded the ancient earth of daily toil and danger. The first and second times that she did so, the sisters did not notice it; but when they found it happened every day, they said one to the other, There is something strange about little Two Eyes, she leaves her supper every day, and all that has been put for her has been wasted; she must get food somewhere else. In fact, Three Eyes was wide awake with one eye, and heard and saw all that Two Eyes...
