

Streetlife China (Paperback)

Filesize: 6.5 MB

Reviews

This is the very best publication we have read through right up until now. It is one of the most incredible book we have read through. Once you begin to read the book, it is extremely difficult to leave it before concluding.

(Miss Celia Volkman)

CAMBRIDGE UNIVERSITY PRESS, United Kingdom, 2005. Paperback. Condition: New. New.. Language: English . Brand New Book ***** Print on Demand *****.This imaginative and incisive collection of pieces about life in contemporary China reveals, like a series of snapshots, a picture of the lives of ordinary people and the rules and rituals that govern their daily existence. Key themes surface: in particular, the emergence of a consumer culture driven by the market, and the way in which this intersects with the floating population of vagrants, prostitutes, and liumang (hooligans). We see how, in turn, the official strategies of the state deal with this perceived social disorder and how the street responds. Underlying much of the discussion of contestation and transformation is the notion of human rights. There will be no better introduction to the discourses of contemporary China, and few more entertaining, vivid, and stimulating accounts of shifts in cultural life and politics.
