Brand New Book ***** Print on Demand *****.A unique erotic romance that descriptively stimulates your senses. Emerging from the depths of a fog covered mystical forest, Dezirae finds herself blindly exploring pathways. Her journey begins when she is confronted by an intoxicating and an unexpected visitor. Intrigued by the shimmering of an inviting yet mysterious light, Dezirae finds herself swiftly entangled by wild ivy and vines. How and why did she become entrapped? If you re a Fifty Shades fan then you re sure to fall in love with Dezirae, and the adventures she is sure to unveil throughout her series. This was a short, interesting, and well written story. This story gets your interest at the beginning of the story and keeps your interest until the end. The author is a great writer, If you are looking for a well written story and an interesting story this is it. I recommend it to anyone that enjoys a good read. - Ervesbookreviews I think the book was a good book but I saw 1 error, Deirae was spelled Dezira wrong but I know what they were talking about. -Snagg This is one of the most descriptive and well written fantasy stories I ve read. Although it is a short story, it s like I could feel what was going on from start to finish. I really enjoyed reading this and will certainly be looking for more from this author. - Julia Stevenson.
