Reviews

A really great publication with lucid and perfect reasons. I have read through and i am confident that i am going to gonna read yet again yet again down the road. It is extremely difficult to leave it before concluding, once you begin to read the book.

The Virtual Priest is a very powerful life changing question/answer short essay on approaching non-traditional priesthood. If you have been considering Bishophood, Priesthood, Deaconhood, Motherhood, Brotherhood, or Sisterhood, but something does not feel quite right about the path this essay proposes an alternative.
