Createspace, United States, 2015. Paperback. Book Condition: New. 229 x 152 mm. Language: English . Brand New Book ***** Print on Demand *****.What is related in this book is the reality of the next two centuries; what is described is what is already happening and still to come, and what can no longer come any differently: that every White man shall have asian women as his wives, girlfriends, concubines, pleasure slaves, and meat urinals as the natural progression of the world as inevitable as the river that flows into the ocean however restlessly, violently, that wants to reach its destination, that no longer can stop, and that is afraid to stop; this fact and this reality-this future-speaks even now in a hundred signs; its destiny announces itself on every street corner; and yet some refuse to hear its music; but it will have reached a point when people will no longer be able to delude themselves. Asian women therefore must always submit to White men s will, and do them all possible honor, and any asian woman who behaves differently is worthy not only of severe censure, but of harsh punishment. I consider, in my judgement, all those asian women who are other than agreeable, kindly, and compliant to White men, should be harshly and rigidly disciplined through corporal punishment until she prostrates on the ground begging for mercy from her lord, her White god. For a good horse and a...
