## You Can't Eat Your Furniture: A Simple Plan for a Well Fed Retirement (Paperback)

By Robert Chown

Trafford Publishing, Canada, 2009. Paperback. Condition: New. Language: English . Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*.Do you spend precious time on your personal finances, but just can't seem to get ahead? Have you ever tried tracking all of your spending, only to find it a time-consuming and pointless exercise? Do you feel you are neglecting your long-term financial goals? This book helps you get a handle on your day-to-day finances and focus with laser-like precision on your long-term financial goals by streamlining and simplifying your financial affairs. It shows you that successfully accumulating a retirement portfolio depends on just two things: your rate of savings and your rate of return. Boost your rate of savings - optimize your household cash flow: Discover how you spend your money on just four things. Learn how to avoid common pitfalls that sap your rate of savings. Monitor your financial health in just ten minutes. Enhance your rate of return - focus on what works and ignore the rest: Simplify your investment strategy. Learn about the one decision that essentially predetermines your rate of return. Formulate an investment strategy for all markets: good, bad, and sideways. Put it all together: Set...
