Steven Mix, 2017. Paperback. Condition: New. Language: English . Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*. Step out once again to the edge of never, where strange mutations roam the wastes of a post-apocalyptic California. The Zombie Civil Rights Group has returned, continuing in their struggle against the undead, against the dictatorial Judge who rules Falling Sands with a gluttonous fist, and against a new and certifiably insane threat that frustrates our heroes at every step, the Fine Line Protectorate. Donathan, the speedy gunslinger; Ashley, the bat-wielding virtuoso fighter; and Mason, the luckiest artist ever to wield a heavy machine gun leap off the pages into the reader's imagination once again, surrounded by colorful characters both virtuous and vile. A surprisingly touching sequel, Deep Cuts continues asking readers to consider the value and meaning of humanity even as it provides massive fistfuls of over-the-top action and clever humor. Steven Mix has done it again. Kelly R., Red Adept Editing Life's not easy in a post-apocalypse world for Donathan, Mason, Ashley, and Nyla. They have to figure out how to survive every night in an otherworldly California where the zombie hordes have all developed different mutations and abilities. They've also attracted the attention of the evil Judge and his Protectorate Army which has agents and traps at every turn. The good news is, they are each discovering their own powers along the way but, they may not live long enough to see what will become of them.
