Xiu Lian is an ancient Chinese spiritual term referring to the Purification Journey all souls undertake in order to return to the Source from which they were created. Most souls reincarnate through countless lifetimes in order to build virtue and clear their negative karma. When the student is ready, the teacher appears is another Chinese proverb. When our souls begins to awaken, Heaven may send us a guru or Master to guide us lovingly through the difficult periods of purification and spiritual testing. Stephen Colwell studied with many spiritual Masters for over 40 years, including Maharishi Mahesh Yogi, Chogyam Trungpa Rinpoche, and Paramahansa Yogananda, before becoming a Divine Channel of Doctor and Master Zhi Gang Sha. Flying With Dragons is an entertaining, heartfelt story of one man s journey on the road to Enlightenment from the psychedelic Sixties to the present time. Ancient spiritual wisdom in the form of daily practices are included to help each soul progress on their own unique journey.
