

Spring: An Anthology for the Changing Seasons: Book 1

By Melissa Harrison

Elliott & Thompson Limited. Paperback. Book Condition: new. BRAND NEW, Spring: An Anthology for the Changing Seasons: Book 1, Melissa Harrison, From the sight of the first snowdrops and the stirring of new life through to the buzzing days of early summer, Spring will capture springtime through different pieces of nature writing, describing the lifecycles of flora and fauna, startling moments of transition, seasonal change in cities and gardens, wildlife experiences that epitomise a point in the year, or the shifting patterns of country life through a collection of pieces, old and new, threaded together to mirror the unfolding of the season.; Including extracts from classic works of great naturalists, literature that reflects the changing seasons, specially commissioned texts and writing from household names, the book will also include pieces from unknown writers that capture the experiences of wildlife throughout the UK, offering a rich diversity of perspectives.

Reviews

Great electronic book and helpful one. Of course, it is play, still an interesting and amazing literature. I am just delighted to inform you that here is the finest ebook i have got go through in my own daily life and might be he finest pdf for actually.

-- Lora Johns III

Very useful to all category of individuals. It is one of the most amazing publication i have got read through. You will not feel monotony at anytime of your respective time (that's what catalogs are for about when you question me).
