Baker Publishing Group, United States, 2017. Paperback. Condition: New. Language: English . Brand New Book. Francine Howard has her life all mapped out until the soldier she planned to marry at WWII's end writes to tell her he's in love with a woman in England. Devastated, Francine seeks a fresh start in the Appalachian Mountains, training to be a nurse midwife for the Frontier Nursing Service. Deeply affected by the horrors he witnessed at war, Ben Locke has never thought further ahead than making it home to Kentucky. His future shrouded in as much mist as his beloved mountains, he's at a loss when it comes to envisioning what's next for his life. When Francine's and Ben's paths intersect, it's immediately clear that they are from different worlds and value different things. But love has a way of healing old wounds . . . and revealing tantalizing new possibilities.
