Reviews

A really great publication with lucid and perfect reasons. I have read through and i am confident that i am going to gonna read yet again yet again down the road. It is extremely difficult to leave it before concluding, once you begin to read the book.

TROPICAL DEPRESSION

Audible Studios on Brilliance, 2016. CD-Audio. Condition: New. Unabridged. Language: English . Brand New. Jeff Lindsay mastered suspense with his wildly addictive Dexter series. Before that, however, there was former cop and current burnout Billy Knight. When a hostage situation turns deadly, Billy loses everything - his wife, his daughter, and his career. Devastated, he heads to Key West to put down his gun and pick up a rod and reel as a fishing boat captain. But former co-worker Roscoe McAuley isn't ready to let Billy rest. When Roscoe tells Billy that someone murdered his son, Billy sends him away. When Roscoe himself turns up dead a few weeks later, however, Billy can't keep from getting sucked back into Los Angeles, and the streets that took so much from him. Billy's investigations into the death of a former cop, and his son, will take him up to the highest echelons of the LAPD, finding corruption at every level. It puts him on a collision course with the law, with his past, with his former fellow officers, and with the dark aftermath of the Civil Rights Movement. Jeff Lindsay's considerable storytelling gifts are on full display, drawing the listener in with a mesmerizing style and a case with more dangerous blind curves than Mulholland Drive.
