Reviews

This publication will never be straightforward to get going on looking at but really fun to see. This can be for all those who statte that there had not been a worth looking at. You wont really feel monotony at at any moment of your own time (that's what catalogs are for about should you request me).

Tate Publishing Enterprises, United States, 2013. Paperback. Book Condition: New. 221 x 147 mm. Language: English . Brand New Book ***** Print on Demand *****.But suddenly, he was on top of me, ripping away our layers of clothing. I pushed against his chest, but his weight was crushing; and suddenly, my arms were trapped between my body and his. After a while, I stopped trying to get away because it wasn't going to happen. He was too strong. The only thing I could do was squeeze my eyes shut and wait for it to be over. I couldn't scream because his lips never stopped crushing mine, and who would hear me anyway? So I bit down on my tongue until I tasted blood as he violated me over and over again. After what seemed like hours, his body relaxed, and he looked into my eyes, a sick smile on his face. How was that, darling? Isn't this great? he said as he twirled a piece of my hair in his fingers. I was the first to hold your hand, to kiss you, and now we've come full circle. First one to make love to you. In one moment Molly Taylor's world is flipped upside down, and life loses all meaning. When it becomes more than she can take, she runs—from her dark situation, from her family and friends, and from God himself. Fully convinced that God no longer cares for her, she searches for peace away from him, only to run into endings time after time. Another Ending is a story of hope and forgiveness; for while Molly searches for answers away from God, she realizes that only through him can we face darkness. Only through his grace do our endings turn into new beginnings.
