Kensington Publishing, United States, 2018. Paperback. Condition: New. Language: English . Brand New Book. Sex, love, drugs and music are just a few of the Carter boys daily dealings. Drama follows them everywhere, especially being the largest, most dangerous organization Atlanta has ever seen. The women who want to be with them and the men who want to be just like them can easily get lost in the shuffle when the target is constantly moving to a new Carter s back. Stepping outside of his relationship with his current woman seems impossible to Trent, but that all changes when the girl who had a childhood crush on him comes back into the picture looking totally different than he remembered. How does the smooth, smart, and prettiest of the Carter boys deal with this, especially now that he finally has Jade in his life? Still not quite understanding his quiet and dark demeanor, Noelle can t help the attraction she feels for her mysterious neighbor, Shiloh Carter. Could it be the romantic and affectionate side he shows her when no one else is around? Or is the mystery surrounding this man really a major turn on for her? Everything between the two neighbors is great until she gets a front row seat to a side of Shiloh that she never saw coming. Will Noelle stick around, or will she pack her things and move far away from Atlanta when she realizes that Shiloh is more dangerous than she thought?.
