LANDMARKS OF HISTORY (CLASSIC REPRINT) (PAPERBACK)

Forgotten Books, 2018. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****. Excerpt from Landmarks of History The counsellors of Elizabeth had again given proof of their wisdom. On many an intricate question they had given counsel, when national honor and political freedom were at stake. But here was a question concerning which humanity and the peace of the realm demanded thoughtful consideration and far-reaching wisdom. And again, English statesmen were to triumph. The wail of the poor is heard no more by the reader of English history. Agrarian discontent lingers only among the dim shadows of the past, and the sons of the starving poor of Elizabeth's reign are to become the Ironsides of Cromwell and the colonizers of the wilderness of New England. All men are by nature free and equal, argued Sir Thomas More before the despotic Henry VIII. All men are by nature free and equal, cried Oliver Cromwell, as he dashed through the Royalist ranks on the plain of Naseby; and Miles Standish, standing on Plymouth Rock, shouts back, God and liberty, to Cromwell. The seed planted by More in the soil of England has produced a tree under which the nations of the earth may find shelter. It is the tree of liberty! The Renaissance has again triumphed.
