iUniverse, United States, 2007. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****. Hey, haven t you noticed that your stupid little planet is about to blow? Whoa! How d you get past my firewall? Are you spam? What makes you think we re stupid and in danger? I m an extraterrestrial from a far more advanced-never mind. We monitor planet disintegrations: usually a meteor strike or seismic instability. Except here, mismanagement seems to be the culprit-unbelievable! So I came down to check it out. What a hoot! Nonsense! Incidentally I m a systems engineer and management consultant, so I d be among the first to detect any such instabilities. Look, I ll try to simplify it. You ve got terrorism and fanaticism, genocide, environmental and economic disruptions all proliferating here. That s because you ve mindlessly disseminated technology, weapons and wealth before providing social justice, education and employment. You ve done it all backwards and that s stupid, especially since you ve got adequate resources and this beautiful little planet to work with. So do you want my help or not? -a paraphrased excerpt An extraterrestrial and earthling address management of terrorism and the environment, organizational and human foibles. Their collaboration ranges from global to intensely personal.
