Filesize: 2.67 MB

Reviews

This publication is definitely worth buying. It is written in straightforward words rather than difficult to understand. You are going to like how the writer compose this publication.

(Dr. Joaquin Klein)

PHILOSOPHY OF MODERN MIRACLES, OR THE RELATIONS OF SPIRITUAL CAUSES TO PHYSICAL EFFECTS: WITH ESPECIAL REFERENCE TO THE MYSTERIOUS DEVELOPMENTS AT BRIDGEPORT AND ELSEWHERE (CLASSIC REPRINT) (PAPERBACK)

Forgotten Books, 2017. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****. Excerpt from Philosophy of Modern Miracles, or the Relations of Spiritual Causes to Physical Effects: With Especial Reference to the Mysterious Developments at Bridgeport and Elsewhere I can not resist the conviction that an inclination to regard merely such phenomena as come within the sphere of the senses, while the invisible laws on which these are dependent are unstudied and unknown, has in all ages filled the world with cowardice, fanaticism and skepticism. Wherever this disposition has prevailed, a thousand idle superstitions have found a congenial atmosphere and a soil adapted to their growth. The poor Indian trembled when the sun was eclipsed, because he thought the Great Spirit was angry. In the early history of men, when the philosophy of storms was not understood, the wild rush of the unbalanced elements was regarded as the evidence of Divine displeasure. A knowledge of the philosophy, alone, saved the ignorant from their fears, and gilded the sable wings of the mid night tempest with the light of Divine benig m ty. In the classic mythology, and in the superstitions of more modern times, certain magicians were presumed to have acquired control over the ele ments, and all the horrible persecutions for witchcraft and sup. Posed demoniacal intercourse and agency, resulted from a disposition to observe particular facts, and to disregard the philosophy by which they might have been rationally explained. About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books. Find more at This book is a reproduction of an important historical work.
