The Anglo-Saxon House (Utt Century). a) THE COMMON GERMANIC TYPE AND ITS A.-S. REPRESENTATIVE. Before entering into a minute description of the Saxon house in all its particulars, it may be well to give, as briefly as possible, a short sketch of the probable form of the original Germanic House together with its development in England. Two fundamentally different opinions have been advanced in regard to the form of the original Germanic House: the first, the theory of unity, or the form in which man and beast were sheltered under one and the same roof;1) and the second, that of multiplicity, where not only man and beast, but also each separate department of the household, demanded its separate structure.2) Whichever may have been the real original form, the consideration of the house of the German in his continental home becomes of great importance to the present subject, since it is there that we must look for facts to sub) This view is particularly upheld in regard to the German house by Heinrich Otte in his *Geschichte der deutschen Baukunst von der Romerzeit bis zur Gegenwart*. (Bd. I, p. 45.) Leipzig, 1861. He believes the early houses in Saxony in which all is comprised within one structure, to be the original whereas, 2) Moritz Heyne in *Germania X*, p. 94 gives priority to the Frankish house--of more than one building. stantiate certain Views, and--of still greater importance--for the testimony which the literature...
