Danger descends in the second book of The Internment Chronicles, from the New York Times bestselling author of The Chemical Garden trilogy. A place where families can have as many children as they want, their dead are buried in vast gardens of bodies, and Internment is the feature of an amusement park. It is also a land at war. Everyone who fled Internment had their own reasons to escape their corrupt haven, but now they re caught under the watchful eye of another king who wants to dominate his world.
