Andrews McMeel Publishing, United States, 2008. Hardback. Condition: New. Language: English . Brand New Book. Author Bradley Trevor Greive walked into a rare-book shop in Sydney, Australia, two years ago and felt like he was looking back in time. There before him was a creative force as raw, strong, and straightforward as BTG was when trying to launch his eventual hit The Blue Day Book. Her name was Emma Magenta. The Peril of Magnificent Love introduces readers to the emotional world of a young girl who seeks love with a three-eared bunny and pursues a course to win him. Much to her chagrin, the girl discovers love's path is fraught with illusion and strewn with disappointment. Nevertheless, the young heroine overcomes her disillusion and finds new possibilities and strength in the lessons she's learned. Magenta illustrates her seemingly simple tale with naive red, black and white drawings that are filled with detail and emotion. Her keen, mischievous eye delves deeply and honestly into remote corners of the human heart. The book speaks to broad audience through its reflection of innocent dreams, sometimes-hard reality, and discerning hope for the future.
