

The U.S.' and Israel's Securitization of Iran's Nuclear Energy

By Nassef M. Adiong

GRIN Verlag Feb 2009, 2009. Taschenbuch. Book Condition: Neu. 210x148x2 mm. This item is printed on demand - Print on Demand Neuware - Seminar paper from the year 2009 in the subject Politics - International Politics - Topic: Peace and Conflict Studies, Security, grade: A+, Technological University of the Philippines (International Studies), course: for college papers, 21 entries in the bibliography, language: English, abstract: Caveat: The title above is quite absurd due to the fact that in the traditional sense of defining security, any country aspiring for weapons of mass destruction or WMDs, which obviously nuclear used for developing weapons, is part and parcel of that nexus and is apparently a security issue; in other words it doesn't need the securitization process. It absolutely manifests the core concepts of traditional security which is akin to military, war, or what we should say high politics of hard power prior to the Cold War period. However, my conception of the above statement is merely a Western thought, though majority in the academia that specializes in international security accept that premise. One would ask if we can actually securitize a security issue. The answer is definitely no, because in the first place, it..
