

What Wall Street Won't Tell You: A Guide to Personal Finance and Investing (Paperback)

By Ryan Jones

Rkj Books, United States, 2011. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****. For many would-be investors, the prospect of cracking the confounding codes of successful Wall Street maneuvering can seem as mysterious as the cryptic pyramid on a dollar bill. Many Americans may not realize that Wall Street simply does not want them to divine the truth about investing and personal finance. Now, investor Ryan Jones forever raises the curtain on American investment in What Wall Street Won't Tell You. This information-packed financial primer will forever change the way you look at your bank account-and a bull market. Including a primer on personal finance, with guidance on reducing and eliminating debt, Jones explains the current economic climate and how we got there, and puts together a sound plan for long-term investment. Clear, concise, and revelatory, What Wall Street Won't Tell You untangles the frequently perplexing Wall Street dynamics, putting complex financial principles in accessible layman's terms. It's a must-read for anyone hoping to master this country's rapidly shifting financial forces-to beat down debt, forge a plan, and start counting the profits. Readers will find: * An overview of...
