Reviews

A brand new electronic book with a new standpoint. It is written in basic phrases rather than confusing. It's been designed in an extremely basic way which is merely right after I finished reading through this publication where it basically altered me, change the way I believe.

Createspace Independent Publishing Platform, 2016. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****.In Zaul s mind, the game is over. After giving himself up to the APA, his true identity now lays bare before the walls of the nation s largest Hybrid Reanimate facility, where he will rot for the rest of his undead days under the watch of cruel containment officers. No more disguises, no more deceptions, no more pretending to be human. And no future with the girl he loves. But Genny cannot accept this new reality as easily. Compelled to repay his sacrifice, she searches for any way possible get Zaul out of the Facility, allying with both the living and the undead to make it happen. Zaul also forges unlikely friendships when he joins the Brains Club, a privileged group of higher-functioning containees who enjoy a better diet, recreational opportunities, contact with the opposite sex - and unsettling attention from the Assistant Director of the APA. As Genny s world unravels, Zaul s becomes stranger. But only one constant is guaranteed: Caesar Ortega is hell-bent on destroying them both. When death and temptation are around every corner, can you keep who you were alive?.
