CICELY S DEFLOWERING RITUAL: BORDERLINE BIGFOOT (PAPERBACK)

Createspace Independent Publishing Platform, 2017. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****.

Welcome to Summerhaven The National Geographic has an online article called uncontacted Tribes Today. uncontacted tribal peoples still live in isolation from the mainstream society of their country. All else about their lives is speculation. One thing is certain: the future of this uncontacted community depends on the protection of their lands. today no one recognizes bigfoot or their relatives as a tribe, yet they are found in almost every continent and every county. This story is about borderline bigfoot, the many different people who have a range of hair and height and other features that fall between the cracks of how bigfoot is usually defined. They may be people who can pass as normal and go into cities and towns. Often where a forest or desert area meets a modern towns, an overlapping area exists where regular people like us are able to know the existence of the borderline population. This often was the case in the 1800 s to about the 1950 s in mining towns or prospecting areas. From 2009 to 2012 I regularly visited a prospecting area in the Angeles National Forest and came to know some of these people. Some characters in the story are based on ones that I knew. The fictitious Mecante group is a wealthy corporation dedicated to do things to prepare the clan groups for their eventual coming out and integration into modern society, but protect the primitive ones not ready for contact. Mecante also seeks out relatives of clan who went over to living white decades ago both to offer a paid for college education, and to keep the dwindling gene pools of various groups together and healthy. The fictional Summerhaven...
