EPHESIANS: A HANDBOOK ON THE GREEK TEXT (PAPERBACK)

Baylor University Press, United States, 2009. Paperback. Condition: New. Language: English . Brand New Book. In this volume, William Larkin provides students with a reliable guide through the intricacies of the Greek text of Ephesians, introducing them to consensus views on matters of syntax, semantics, and textual criticism. In addition, the annotations contain references to current debates relating to the language of Ephesians. Larkin's annotations demonstrate that linguistically informed analyses which have appeared in the last couple of decades frequently shed light on old questions.
