Createspace Independent Publishing Platform, United States, 2015. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****. Sooner or later questions such as "Who and/or what am I? Where did I come from? How can I find meaning in my life? How can I reduce the pain of self-realisation? What will happen to me when I die?" begin to niggle at each of us. This book provides answers that come from a spirit being named SHEBAKA. The Grand Design books, of which there are five volumes, explore life in all its aspects both in the physical world and in spirit. Inter alia, they explain how we came to inhabit physical bodies and what happens to us when we die; and they provide facts, concepts and suggestions designed to help us, in cooperation with our guides/guardian angels if we so wish, to find ever increasing happiness and fulfillment in our expression.
