

30-Point Plan to Winning Your Employees Loyalty and Respect (Paperback)

By Levon Sparks Salone

Createspace Independent Publishing Platform, United States, 2014. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****.Let's face it, employees are valuable assets to your company. It is more beneficial to keep valuable employees for extended periods of time rather than training new employees month after month. By keeping well-trained employees on your team, you can save thousands of dollars and raise the productivity in your company. One way to keep well-trained employees is to help them develop loyalty and respect for your company. How can you do this? By showing them loyalty and respect. Sounds simple? Well, it works! In this manual, 30-Point Plan To Winning Your Employees Loyalty And Respect, the author shows you how to help your employees develop commitment to your company. If you desire to see the level of productivity rise within your company, begin applying these success-proven strategies. Companies that remain on the cutting edge have learned how to implement these strategies effectively. Be among the best. Let your employees know they are important, and they will help you and your company soar to higher heights.

Reviews

Absolutely essential read through pdf. it was actually written extremely flawlessly and valuable. You will like how the writer published this book.
-- **Destin Leffler**

It is a single of the best pdf. Better than never, though I am quite late in starting reading this one. I realized this ebook from my dad and I encouraged this publication to understand.
