The moment teenager, Sophia Anderson, paddled into the huge wave she knew something weird had happened. She just didn't know how weird. When the wave transported her to an island paradise in another world she thought she must be dreaming, but when she encountered a talking butterfly, and an amphibious girl from another planet, she was convinced that she'd never been more awake in her life. The butterfly is Truson, the lord of all worlds. The girl is Norie, an amphibious girl from the dying planet, Sycar. Truson has called them on an adventure that is both thrilling and dangerous, as much fun as it is frightening. Granted the power to become any bird or sea creature the girls face one danger after another, forming a friendship that will transcend their distant worlds. Can they rescue Sycar's people in time?.
