

Chronic Pain and Family: A Clinical Perspective (Paperback)

By Ranjan Roy

Springer-Verlag New York Inc., United States, 2010. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****.Chronic pain affects every facet of a patient's life, and nowhere is this more evident than in the complex arena of family life. Chronic Pain and Family: a Clinical Perspective examines typical family issues associated with prolonged illness, offering realistic ways to approach them in therapy. Informed by current practice and his own experience, noted author/clinician Ranjan Roy brings fresh insights to common pain scenarios and therapeutic impasses, and provides a framework for assessing marital and family relationships when chronic pain is a defining factor. Clinicians will get not only a clearer understanding of sensitive issues, but also effective strategies for engaging clients without turning them off. Coverage includes: - Meanings of pain in relationships - Who Does What? : exploring changes in family roles - Resistance to treatment: why it occurs and how to work through it - Health concerns and other burdens on well spouses and children - Sexuality, domestic abuse, and other silent issues - Case examples demonstrating therapy step-by-step with a range of couples and families For therapists and social workers who deal with this...

Reviews

A must buy book if you need to adding benefit. It really is simplified but unexpected situations in the 50 percent of your book. Its been developed in an exceptionally straightforward way and it is merely soon after i finished reading through this pdf where in fact transformed me, modify the way i think.

-- **Dalton Mertz**

This kind of publication is every little thing and taught me to looking ahead of time and a lot more. It is packed with wisdom and knowledge Once you begin to read the book, it is extremely difficult to leave it before concluding.
