Brand New Book ***** Print on Demand *****.JUST LAUNCHED 2nd EDITION Regardless of whether your region's winters are a perpetual chill or pleasantly moderate, gardening can have a lot of difficulties, but it also provides opportunities. Whether you are planning for your summer or spring planting, looking to grow fresh herbs and vegetables, or simply want to keep your favorite plants alive during the colder months, winter gardening provides a lot more options that you probably ever realized. There really is no reason for you not to keep your thumb green throughout the entire year. A lot of gardeners just hang up their gardening tools for the winter and wait until the weather becomes warmer, but this should not be the case. Depending on your local weather, gardening during the winter may simply be less than the ideal, or you may be working with frozen soil which can remain rock solid for several months. Winter is also the best time to stock up on gardening supplies as most gardening centres usually offer great discounts to boost their winter sales. Regardless of the situation, winter offers any ambitious gardener an opportunity to explore many options that may not be available during the warmer seasons. Do you wish to change or add the focus of your garden? A lot of plants can actually grow when grown together with a certain decorative plant, fruit or vegetable. Purchase now and find your set of gardening ideas from our examples and enjoy an all year round garden from your own home! No matter where you might be or what weather one might be up against!
