How to Count Cards: How to Count Cards in Blackjack (Paperback)

By Vinnie Navetta

Createspace Independent Publishing Platform, United States, 2015. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****. Playing the various games inside a casino can be an exhilarating experience. The adrenaline rush that you get after winning a huge bet for example, can be extremely addictive. One particular casino game that brings about such excitement is Blackjack. A lot of people play Blackjack in the casinos because the mechanics of the game is easy to understand. In addition, a lot of gamblers think that a player has a higher chance of winning against the house as long as you know how to make mental mathematical computations in your head. This book will teach you everything you need to know about Blackjack. To understand Blackjack better, we ll start by talking about what it is, how the game came to be, where it originated, and what its basic rules are. It is a well-known fact that someone can win big in Blackjack with just pure luck. However, the frequency at which you ll win with luck is far lesser than when you apply some basic strategy to it. This book will discuss the Blackjack basic strategies that...
