Reviews

The publication is simple in go through preferable to fully grasp. I am quite late in start reading this one, but better then never. It is extremely difficult to leave it before concluding, once you begin to read the book.

Wildside Press, 2017. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****. Black gold was replacing green grass as a source of profit in Gunlock, Texas, when Walt Slade rode in to investigate a case of cattle rustling. Like the Comanches of old, a vicious gang of renegades had suddenly swept out of the barren Cito Hills, and Slade's orders were to track them down -- single-handed! The Ranger ace took one look at the tall derricks dotting the blue skies of Gunlock and knew that the stakes were far higher than local short-horners imagined. His suspicion fell on a smooth-talking businessman from back East. When lead slugs hammered into his blanket one night and a heavy beam barely missed his head the next morning, Slade figured he was right. But the Ranger had to match bullets against five outlaws on a shaky oil rig before peace came at last to Outlaw Land!.
