Reviews

Extremely helpful for all class of people. It is probably the most incredible ebook i actually have go through. I discovered this publication from my dad and i recommended this ebook to discover.
(Victoria Hickle PhD)

REFUGIOM: POEMS FOR THE PACIFIC (PAPERBACK)

Caitlin Press, Canada, 2017. Paperback. Condition: New. Language: English . Brand New Book. New poetry written by prize-winning BC poets, musicians, and artists, anthologized by Victoria's city poet-laureate. While in the world of politics there are still climate change deniers, the poets watch the warming seas, the dying birds slicked in oil, the whales, the jellies, the sea otters and the octopus. They stand, as close to the shore as possible, watch the slow turning tide. In this collection of poems from the coast of B.C., California, Washington State, to Alaska and as far away as Auckland, New Zealand and as far back as early 19th century Japan these poems explore our connection to the Pacific, what we know and don't know, how we've already changed the shore and the sea and what we fear losing. Poets in this anthology include John Barton, Brian Brett, Bruce Cockburn, Lorna Crozier, Brenda Hillman, Gary Geddes, Steven Heighton, Patrick Lane, Arleen Pare, Melanie Siebert, Ann Simpson, Rob Taylor, Patricia Young, Jan Zwicky and many more. In Refugium, editor Yvonne Blomer explores her deep concern with our sixth extinction and how stoic humans are continuing to wreak damage on the planet and her oceans.
