By Michael Pryor

Audible Studios on Brilliance, 2016. CD-Audio. Condition: New. Unabridged. Language: English . Brand New. After narrowly escaping the worst fate imaginable, Aubrey realizes there's only one thing left to do--he must confront his nemesis on his own evil ground. It may look like a simple wire device, but the Beccaria Cage could be the cure for Aubrey's condition: a way to reunite his body and soul. But can Aubrey solve its mysteries while Dr. Tremaine's warmongering machinations gather pace? After magical confrontations, near-death experiences, and the appearance of new allies and new enemies, Aubrey decides that there is only one thing to do: carry the fight to the enemy. Thanks to a fortuitously timed symposium, Aubrey, George, and Caroline accompany Lady Rose and Prince Albert to Holmland--into the heart of hostile territory--only to find the city of Fisherberg infested with ghosts, brigands, and shadowy figures with agendas of their own. While trying to prevent a war, could Aubrey Fitzwilliam inadvertently trigger one?.
