Createspace, United States, 2012. Paperback. Book Condition: New. 229 x 152 mm. Language: English . Brand New Book ***** Print on Demand *****.DISCOVER the adventure and innocence of the 1970 s Caribbean smuggler s dream time. Follow the failures and triumphs of a most unlikely scientist smuggler. JIM MIRROR grew up as an Orthodox Jew on Miami Beach. At university, his passions become beautiful Jane, his wife to be, and the world of science and ideas. Imminent fatherhood intrudes on his plans to complete his doctoral dissertation in physics and lead him to Miami s regional opportunity, a Jamaican ganja run. We watch his brilliant, but cloistered mind adapt as he embarks on a graduate course in Caribbean smuggling. JOIN THE ADVENTURES of this rogue physicist, starkly depicted with an uncompromising realism drawn from that special time. We are a part of our captain s steep and painful learning curve. Watch as he learns to incorporate an intuitive truth with his tutored analytic background. He learns to meet and deal with street-smart dealers, finds the value of a serious look, and a solid handshake. See him learn to measure men by recognition of personal honor, and adapt, to earn that recognition. EXPERIENCE Captain Jim s roller coaster ride: as he is seriously injured in Nassau; learns to bully politicians; navigates the culture of reggae drenched 70s Kingston; negotiates with stoned out machete wielding ganja men; joins a Rastafarian cult ritual; endures a soon come tragicomedy of loading ganja; and struggles to survive an existential storm in his crippled boat. JANE, smart, vivacious, and pregnant, is a central presence throughout this adventure. She plays a real, and ethereal role throughout. Jane is the pole star about which Jim revolves and his love for her is the compass by which he steers...
