Mike McCaffery, Carl's ex-partner in the Sheriff's Department of Lake County, Wisconsin, is not happy to find that the department is doing little to find out who is hunting Carl. With the help of Carl's Internet-addicted mother (who has been known to carry a side arm in her shopping bag) set out to find out who wants Carl dead and stop them. This group is joined by several volunteer sleuths who, between bouts of gunfire and legal shenanigans discover not only their quarry, but also a little romance. This item ships from La Vergne, TN.
