

Emperor Shaka the Great: A Zulu epic (Paperback)

Filesize: 6.41 MB

Reviews

The ebook is great and fantastic. We have read and i also am sure that i am going to likely to go through once again again down the road. Once you begin to read the book, it is extremely difficult to leave it before concluding.

University of KwaZulu-Natal Press, South Africa, 2017. Paperback. Condition: New. Translation, New. Language: English . Brand New Book. Mazisi Kunene is the much-celebrated author of epics, such as Emperor Shaka the Great (UNodumehlezi KaMenzi) and Anthem of the Decades (Inhlokomo Yeminyaka), as well as numerous poems, short stories, nursery rhymes and proverbs that amount to a collection of more than 10 000 works. He was born in aMahlongwa in 1930, a small rural village on the South Coast of KwaZulu-Natal in South Africa. Notwithstanding his cultural duties as a young man born into Zulu tradition, his calling as an imbongi was taken very seriously by his father and grandfather who encouraged him to write. Professor Kunene described this `calling to write as `something [that] is not me, it is the power that rides me like a horse . Kunene lectured widely and was Professor in African Literature at Stanford University and in African Literature and Languages at the University of California, Los Angeles. On his return to South Africa, he was Professor in African Languages at the University of KwaZulu-Natal. He went into exile in the 1960s for more than 34 years, during which time he established and managed the African National Congress office in London and later moved to Los Angeles with his family to pursue his academic career. In UNodumehlezi KaMenzi (Emperor Shaka the Great), which he wrote during this exile period, he positions Shaka as a legendary thinker, who had great skill as a strategic and military genius. This vision acknowledges and re-imagines Shaka as a unifying cultural and political force that defined the cohesive Zulu nation. Kunene projects Shaka into the mythical ancestral universe that affirms the deep cultural lineage of the African world view. This reprinted English edition is published with the isiZulu edition on the...
