The Beginning Turkish DVD-ROM is the equivalent of a textbook and workbook, with audio and video. It can be used either by independent learners or by students in a traditional or self-instructional classroom setting, and is equivalent to a one-year college course. This practical course will provide you with confidence communicating in Turkish at an everyday level. This classroom tested DVD-ROM contains 29 video clips and over 9,400 audio recordings made with native speakers.
