The Gospel According to Griffen: Caught Red-Handed

By Rev Robert G Griffen

Createspace, United States, 2014. Paperback. Book Condition: New. 229 x 152 mm. Language: English . Brand New Book ***** Print on Demand *****. The Gospel According to Griffen is a controversial series of short stories by the Rev. Robert G. Griffen based predominantly on the four Gospel narratives in the Protestant Bible. Griffen also draws on various other traditions, some non-canonical writings, and sometimes just makes stuff up. His goal is to offer a gospel for a twenty-first century audience. Just as each of the first century Gospel writers worked with a variety of sources and exercised editorial license to present different visions of Jesus and his ministry, so has Griffen applied creative license to present his own vision of Jesus, his teachings, and the legendary events of his life. The stories range from sober to silly: from redeeming the life of an outcast woman to a conversation with God on a red telephone. Some readers will be amused and thankful for new insights. Others. not so much. In 2,000 years we have cleaned up, sanitized, sanded smooth and painted over the people and events of the Bible to make them politically correct and palatable for the prim and proper....
