Reviews

This publication might be well worth a read, and much better than other. It really is simplified but excitement inside the 50 % of the book. You will not feel monotony at whenever you want of the time (that's what catalogues are for concerning when you check with me).

THE JOURNAL OF SACRED LITERATURE AND BIBLICAL RECORD, VOL. 1 (CLASSIC REPRINT) (HARDBACK)

Forgotten Books, 2018. Hardback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****. Excerpt from The Journal of Sacred Literature and Biblical Record, Vol. 1 After the journal or sacred literature had extended to fourteen volumes, in two series of seven volumes each, circumstances rendered it desirable to begin the present volume on an entirely new basis. The property came into the hands of the present Editor, and, greatly to his gratification and encouragement, he at once received a very large addition to the number of the subscribers. Most of the gentlemen who thus took an interest in the work, did so for the first time, and consequently had not the back volumes. Had these been accessible, no difficulty would have occurred but, as not one complete set is obtainable, it became necessary, in justice to so many supporters, to commence another series; so that, without inflicting injury or inconvenience on old friends, the new ones might have the work they patronize in some completeness. It is hoped that this arrangement will satisfy all parties, as we do not conceive any valid objection can exist against it.
