Createspace, United States, 2015. Paperback. Book Condition: New. 214 x 149 mm. Language: English . Brand New Book ***** Print on Demand *****.Welcome to the brave new world of cloud computing-a world in which locally installed programs and local data are replaced by applications and data in the cloud, which can be accessed from anywhere in the world using any compatible device. A world in which everything is centered on the Google Chrome web browser running on an Android phone or tablet, a Windows PC, or a dedicated Chromebook computer. Now you don t need to worry about installing and configuring software, backing up your data, or protecting your computer from viruses. And you don t need to worry about having access to your important documents and other files while travelling. Now in its Fifth Edition, The Chrome Book is the Essential Guide to Cloud Computing with Google Chrome and the Chromebook. This most comprehensive and up-to-date edition is packed full of information, tips and tricks to help you get the most from your cloud computing experience with the Google Chrome web browser and (optionally) the Chromebook computer. Welcome to a new way of working. .and playing. Praise for the previous edition: Top shelf coverage. This manual was a great help explaining how cloud computing works. Before purchasing a Chromebook this book should be an essential read. If you buy a Chromebook and you re not familiar with cloud computing, this is the book for you. I do recommend it to everyone trying to learn how to use the new computer. It ll save you precious time and maybe a headache or two. I am a slow learner and this book helped me a lot. I was looking for a quick and easy introductory read on using Chromebooks. This title...
