Forgotten Books, United States, 2016. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****. Excerpt from Planning and Civic Comment, Vol. 2: January March, 1936 Unless prevented by the Supreme Court of the United States, the oft urged building in America of several suburban communities planned somewhat along the lines of the English garden cities of Letchworth and Welwyn, now seems assured. Establishment of four greenbelt suburban developments to provide low-cost housing for low-income families and serve as models for future American communities, was announced on October 11 by the Resettlement Administration. The total cost was estimated at \$100,000, allotted by the President under the Emergency Relief Appropriation Act. The sites selected are at Berwyn Heights, Maryland, near Bound Brook, N. J. and outside of Cincinnati, Ohio, and Milwaukee, Wisconsin. About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books. Find more at [This book is a reproduction of an important historical work. Forgotten Books uses state-of-the-art technology to digitally reconstruct the work, preserving the original format whilst repairing imperfections present in the aged copy. In rare cases, an imperfection in the original, such as a blemish or missing page, may be replicated in our edition. We do, however, repair the vast majority of imperfections successfully; any imperfections that remain are intentionally left to preserve the state of such historical works.](#)
