POOLSIDE WITH BRETT: BRETT CORNELL MYSTERY - #1 (PAPERBACK)**DOWNLOAD**

Createspace Independent Publishing Platform, United States, 2012. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****. Private detective Brett Cornell believes that he s never had it so good. He s been on a winning streak playing poker in private games being held in the back room of one of his favorite night spots. He s recently been discovered by an exotic-looking beauty who specializes in home-made adult films. In addition, he s been hired to track down a certain missing husband and bring him back home to his anxious wife. His life, however, takes a sudden turn for the worse when he opens the trunk of his car one evening and finds the missing husband s murdered corpse stashed away inside of it. Set in the late 1980s, Poolside with Brett is the first in a series of novels featuring the tough and crass unscrupulous bastard himself -- a rude, wise-cracking private detective who happens to be a hugely successful ladies man, thanks largely to what he immodestly refers to as his Adonis-like features. In a tale involving murder, blackmail, an unexpected suicide, and other assorted acts of violence and deceit, Brett learns the hard way that there s a steep price to be paid for being such an unscrupulous bastard -- and readers may very well feel that he gets exactly what he deserves, and more!.
